

The Fraternity Pan

A \$180,000 yearling purchase by the sire of sires, Artsplace, and out of one of the greatest race mares to ever be raised in Maryland, Yankee Co-Ed. Only an untimely injury during his Sires Stakes campaign prevented The Fraternity Pan from competing in all of harness racing's major events against the best colts of his generation. The Fraternity Pan recovered and went on to pace in 1:52 or better for 8 racing seasons against some of the toughest overnight horses racing and posting multiple wins at The Meadowlands, Harrah's Chester, Freehold, Colonial and Rosecroft. He won 53 races during his race career. A tough racehorse with an impeccable pedigree standing his first year in Maryland.
